"We are proud to provide quality entertainment and lasting memories for audiences of all ages," said Dale Moss, Harlem Ambassadors President. One hundred percent of ticket and concession sales will help the American Red Cross provide services in West Tennessee. Please consider helping your community by attending or becoming a sponsor of this event."

"The standing-room-only crowd not only saw some of the greatest basketball in America, they also were witness to some of the funniest comedy routines around . . . The final score? Yes, there was a final score! The Harlem Ambassadors won . . . over the citizens of Franklin County and impacted a lot of lives, young and old alike. Their brief two hour visit has made a lasting impression, and although the FCHS gym will once again return to normal, those of us who came and saw and played and danced and laughed 'til we cried, may never be the same again. And that's a good thing."

"We took over 40 photographs during the show and in every one of them you could see people smiling and laughing. Their interaction with the crowd was outstanding and since Hobbs is a 'basketball town' their talent on the court was evident to everyone."
